DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

The communication filed on March 26, 2003 is *non-responsive* to the prior Office action because Applicants have failed to clarify their position regarding the 112 rejection made. Applicants have asserted:

Applicants have amended claim 1 such that the compartment and the ingredients are placed in the preamble portion of the claim and are only referred to in the claim body, thereby more clearly indicating that the compartment and ingredients exist to flesh out the environment of the claimed invention, and are not part of the claimed invention. Therefore, given the amendment to claim 1, Applicants submit that the rejection under § 112, second paragraph is obviated and the rejection be withdrawn.

The amendment to claim 1 is inconsistent with Applicants' assertion. The amended claim specifies that "*said means for removing being releasably supported upon said wall member of said compartment.*" Clarification and/or correction is required.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
